Solutions Manual with Solutions CD-ROM to Accompany Financial Accounting

Revised edition of the author's Financial accounting, [2015]

Solutions Manual Vol. 1 to Accompany Financial and Managerial Accounting, Vol 1 (Chapters 1-13)

Wild's Financial Accounting Fundamentals responds to the market's request for a low-cost, succinct book; a book that balances large and small businesses, and one that is contemporary, engaging, and accessible for today's students. With numerous innovative features, the author focuses on "Three C's": Clear presentation of accounting concepts, Concise coverage to help students focus on important material, and Cutting edge technology to engage students and improve their chances for success. The author provides examples from a balance of different size businesses, integration of new computerized learning tools, superior end-of-chapter materials, and highly engaging pedagogical learning structures. Technology tools such as Connect and Carol Yacht's General Ledger and Peachtree software provides students with further advantages as they learn and apply key accounting concepts and methods.

Financial Accounting

Wild's Financial Accounting Fundamentals responds to the market's request for a low-cost, succinct book; a book that balances large and small businesses, and one that is contemporary, engaging, and accessible for today's students. With numerous innovative features, the author focuses on "Three C's": • Clear presentation of accounting concepts, • Concise coverage to help students focus on important material, and • Cutting edge technology to engage students and improve their chances for success. The author provides examples from a balance of different size businesses, integration of new computerized learning tools, superior end-of-chapter materials, and highly engaging pedagogical learning structures. Technology tools such as Homework Manager and Carol Yacht's General Ledger and Peachtree software provides students with further advantages as they learn and apply key accounting concepts and methods.

Financial Accounting Fundamentals

Covers each chapter and appendix with reviews of learning objectives, outlines of the chapters, summaries of chapter materials, and additional problems with solutions.

Loose-Leaf Edition for Financial Accounting Fundamentals

Available to help instruct students in solving all assignment material. Each chapter also contains one set of papers that can be used for either the A or B problem sets.

Financial Accounting Fundamentals 2009 Edition

"Learning science reveals that students better learn and retain information when text is presented in a direct, concise, and systematic manner within a blocked format. Our new edition delivers the content you expect in

fewer pages. Visual aids and numerous demonstration and Hint (guided example) videos offer additional learning aids. New summary Cheat Sheets conclude each chapter to visually reinforce key concepts and procedures, and they offer a link for students as they search for answers\''--

Study Guide to accompany Financial Accounting

Wild's Financial Accounting Fundamentals responds to the market's request for a low-cost, succinct book; a book that balances large and small businesses, and one that is contemporary, engaging, and accessible for today's students. Its innovation is reflected in its extensive use of small business examples, the integration of new technology learning tools, superior end-of-chapter material, and a highly engaging, pedagogical design. Inclusion of Connect and Connect provides students every advantage as they strive to understand the key concepts of accounting and their role in business.

Introduction to Financial Accounting

This Financial Accounting Solutions Manual provides answers to all Basic and Involved Problems found in the textbook. The Financial Accounting textbook covers the accounting and reporting cycle, current assets, long-term assets, debt, equity, and cash flows. This material is typically covered in introductory accounting courses and is foundational for all accountants and business people.
